

## RATCLIFFE COLLEGE 2008 GCSE RESULTS

Ratcliffe College is pleased with its GCSE results, which include a record 98% of candidates achieving at least 5 GCSE passes at Grade C or better; 95% of all subject results are at Grade C or better, which equals the previous record. There are also excellent results in the high grades with 35% of all results being top A\* and A grades.

Outstanding individual performances are by Katy Campbell, Nicholas Charlish, Calum McWhir, Samuel Stabler, Emily Taylor, Kate Turner and Sophie Yell who each secured 9 or 10 A\* and A grades in their subjects.

*Samuel Stabler, Sophie Yell, Emily Taylor and Nicholas Charlish who, between them, gained 36 A\* and A grades!*

*Ratcliffe College students enjoy their GCSE results!*

Headmaster, Peter Farrar, commented:

‘This year’s GCSE results represent a good all-round performance by Ratcliffe students. The more able boys and girls achieved top grades across the board but there are also some tremendous results from students in the slightly lower grades, which enabled three quarters of the Year group to gain 9 or 10 subject passes in the crucial A\* - C grades. Well done to students and staff!’
