

## RATCLIFFE COLLEGE

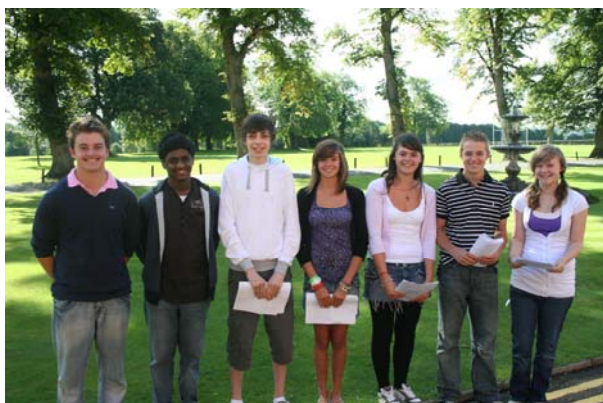

### 2009 GCSE RESULTS

Ratcliffe College is delighted with its GCSE results in which 44% of grades were achieved at A\* and A grades, which is our best ever performance at this level. 96% of candidates achieved at least 5 GCSE passes at Grade C or better.

Particular congratulations must go to Kate Castell, Rory Finn, Catherine Gerighty, Nakkieran Lawrence, Alice McKenna, John Musson, Cynthia Pong, Thomas Rigby, Thomas Smith, Emily Wright and Laura Yell, who each secured 9 or 10 A\* and A grades in their subjects.

**Headmaster, Gareth Lloyd, commented:**

**“This year’s GCSE results represent a splendid all-round performance by Ratcliffe students. The more able boys and girls achieved top grades across the board, yet there are also some tremendous results from students in the slightly lower grades, which enabled three quarters of the Year group to gain 9 or 10 subject passes in the crucial A\* - C grades. This reflects excellently on the students, and of course their teachers, and bodes very well for the future.”**
