

Our Mission Statement – the reason our College exists

“Learning & Growing in the Light of the Gospel”

With Christ at the centre of our learning, we:

- *Help young people to achieve their greatest potential*
- *Guide their intellectual growth, nurture their God-given talents, and inspire them to live in service to others*
- *Aim to develop honest, confident, responsible and compassionate members of society, based on the educational values of Blessed Antonio Rosmini*

Our Vision Statement – the long-term change resulting from our work

‘Encouraging Big Ideas’

Ratcliffe’s unique educational offering based on our College motto, “Legis Plenitudo Charitas”, Love is the fulfilment of the Law, provides a perfect context within which young people may acquire the emotional knowledge and interpersonal skills necessary to live happy and purposeful lives. The College’s inclusive Catholic ethos is complemented by the outstanding quality of our College community through which our Mission, “Learning and Growing in the Light of the Gospel”, serves to nurture resilience and develop maturity. Young people leave Ratcliffe with a strong sense of who they are and their purpose in the world, equipped socially, emotionally, morally and spiritually to go forth and make a difference to the communities in which they live and work.
