May 2022

QUIZ NIGHT SUCCESS

The Parents' Association Quiz and Curry night returned on Saturday 19th March 2022. Ninety-three participants battled it out in a traditional quiz format with additional bonus rounds added in for fun!

A well deserved trophy was presented to the winning team, plus the accolade of winner of the activity rounds which included a staring competition and a dance off were also named!

As always, the catering department provided a delicious and varied dinner. The bar was kept busy throughout the evening, we managed to raise more than **£600** cash for DEC Ukraine appeal. Thank you for your attendance and support with this event.

**£600 RAISED
FOR DEC
UKRAINE APPEAL**

FUNDING REQUESTS

The Parents' Association offers funds to projects that benefit the students and which promote the school's ethos or fund initiatives that might otherwise be impossible because of budgetary limitations. Here are the recent funding requests the PA have been happy to support;

The music department received 40 new choir folders branded with the Ratcliffe logo to replace a mix of old types. These will be used for both school and staff choirs and ensure a smart, coherent look.

The Nursery requested funding for a writing bench to add to the playground. This type of bench comes with storage allowing them to pack their resources into it at the end of the day.

Up to 10x home-school story sacks will be created by the Nursery. Complete with story books and other educational resources, families will be able to help their children develop language and communication skills in a fun, engaging way.

PARENTS' ASSOCIATION

May 2022
