

Dear Parents,

## **Year 7 Transition Day – Wednesday 6<sup>th</sup> July**

We would like to invite your child to an exciting Year 7 Transition Day, on **Wednesday 6<sup>th</sup> July**.

The purpose of the day is for your child to meet other students in their Tutor group and to participate in activities together. Our theme for the day will be 'Save Our Planet'; which will be explored through a series of workshops in the morning and some sport activities in the afternoon. Through these activities, students will get to know their peers and enjoy a taste of Ratcliffe College life.

We hope you agree that this is an excellent opportunity to begin the transition process from your child's current school to Ratcliffe College Senior School.

I would be grateful if you could complete the Google Form below to indicate whether or not your child will be able to attend and also to inform us of any dietary needs/relevant medical information.
